Medicaid for the Elderly and Disabled – January 2015

The Alabama Medicaid Agency has a number of programs for the elderly and disabled. Medicaid for Institutional care is for people in nursing homes, hospitals, and ICF-MR facilities. Home and Community Based Waivers are for people who are elderly, disabled, homebound, mentally retarded, or who have certain diagnoses and who live in the community. SSI Related Medicaid programs are for people who no longer receive Supplemental Security Income (SSI) payments, but have their Medicaid benefits protected under certain laws.

To be eligible for the Medicaid programs listed above, you must:

- Be living in Alabama,
- Be a U.S. citizen (You must provide proof of citizenship and identity unless you have been approved for Medicare or SSL), or be in satisfactory immigration status (You must provide proof of immigrant status.),
- Meet certain medical criteria,
- Have a monthly income below a certain limit, and
- Have resources below a certain limit.

NOTE: Eligibility for Home and Community Based Waivers (page 5) depends on the availability of slots from the administering agency.

Nursing Home, Hospital, and ICF-MR Medicaid for an Individual:

**Medical Approval.** An applicant must be medically approved by Medicaid or Medicare for the nursing facility to be paid. The nursing facility must submit the medical information to Medicaid. An applicant for Nursing Home, Hospital, or ICF-MR Medicaid must also be a resident of an approved medical institution for at least 30 continuous days to be eligible for Medicaid payments. (The exception is an SSI recipient.)

**Income Limit.** The income limit for Nursing Home, Hospital, or ICF-MR Medicaid is $2,199 per month for an individual. (This income limit changes each January.)

Some examples of income are:

- Black Lung
- Social Security
- Veterans Benefits (less Aid and Attendant Care, and Continuing Medical Expenses)
- Railroad Retirement
- Federal Civil Service
- Private Pensions or Retirements

SSI and welfare checks do not count as income.
for review.

**Excess Resources.** The resource limit for Nursing Home, Hospital, and ICF-MR Medicaid is $2,000 before the first day of the month. This means that in order to be eligible for Medicaid you must not have more than $2,000 in resources on the first day of any given month.

To keep from going over the $2,000 limit:

- If you owe money to the nursing home, pay it before the first of the month.
- Pay any of your bills that are due before the first of the month.
- Do not let anyone else deposit money into your bank account to help pay your bills. It may be counted as income in the month of the deposit and a countable resource the following month.
- If you get a Social Security check or other pension check and it is left in your bank account at the beginning of the next month, it is counted as a resource.
- If you have a life insurance or a burial contract for more than the limit, the amount over the limit will be counted as a resource.

Remember, if you have resources in excess of $2,000 on the first day of the month, you will NOT be eligible for Medicaid that month.

**Disposal of Resources.** You may not be eligible for Institutional Medicaid if you sold (for less than fair market value), gave away or transferred any resource(s) that you or your spouse owned.

**Nursing Home, Hospital, and ICF-MR Medicaid for a married couple:**

If a couple is legally married and one spouse is a patient in a medical institution (institutionalized spouse) while the other spouse remains in the community (community spouse), special rules apply for Nursing Home, Hospital, and ICF-MR Medicaid. Some or all of the assets of the couple may be protected for the community spouse. In addition, some of the income of the institutional spouse may be allocated to the community spouse.

**Income Allocation for the Community Spouse.** In order to receive a portion of the institutionalized spouse’s income, the community spouse cannot have more than $1,967 per month. (This income allocation amount changes each July.)

If the community spouse has gross income at or above $1,967, no additional income can be allocated from the institutionalized spouse to the community spouse. If the community spouse has gross (before anything is taken out) monthly income that is less than $1,967 per month, the institutionalized spouse may allocate income to the community spouse.

**Resource Assessment for the Community Spouse.**

When someone enters the nursing home and their spouse remains in the community, an assessment of the combined assets (resources) is done by the Medicaid District Office. The Medicaid worker will ask for proof of all assets owned by the couple, either solely or jointly, as of the date the institutionalized spouse entered a medical institution. (Some of the same resource exclusions apply as mentioned earlier in this handout. The home will not
at 1-800-361-4491.
To qualify for these services you have to be receiving SSI, Adoption Assistance Medicaid, Medicaid for Low Income Families, or SSI Related Medicaid Programs (listed below). Limited funds and slots are available for these waivers.

SSI Related Medicaid:

**Income limits.** All SSI Related programs, such as Widow/Widower, Disabled Adult Child (DAC), Retroactive SSI, and Continuous (Pickle) Medicaid have an income limit that equals the Federal Benefit Rate (FBR) plus $20 per month.

The income limit for SSI Related Medicaid is $753 for an individual and $1,120 for a couple. (This income limit changes each January.)

NOTE: The couple income limit applies only if both are eligible, unless the ineligible spouse’s income and resources are deemed (which means counting a portion of the income and resources) to the applicant. If only one person is eligible, the individual income limit applies.

In the Widow/Widower, DAC and Continuous cases, if the applicant otherwise qualifies, some income is not counted against the limit, such as Widow/Widower benefits, Child’s benefits, or Social Security cost-of-living increases.

**Resource limits.** The resource limit for SSI Related Medicaid is $2,000.

Some resources do not count toward the $2,000 resource limit, they are:

1. Household goods and personal effects.
2. Life insurance (or any insurance with a cash surrender value), if the total combined face value is $1,500 or less.
3. Burial fund or prepaid burial contract of up to $1,500. (The amount excluded is reduced by life insurance. The District Office will have to have copies of the fund or contract.)
5. One automobile per household, if used by household member.

**Please note:** You must apply for and agree to accept any income from annuities, pensions, retirement, disability benefits, or other income to which you are entitled. Applying for these benefits is a condition of eligibility for Medicaid and failure to apply could keep you from having Medicaid eligibility.

For Veterans or Veteran’s Dependents:
If you receive or are eligible to receive VA benefits, you must apply for the maximum benefit available. The amount you receive varies depending on the type of benefit. Rather than increase, some VA benefits are dropped to $90 while you are in a nursing home. You should contact VA to determine how your benefit will be affected.
Some Things You Need to Know When Submitting an Application

Submitting an Application:
Complete the application to the best of your ability. The application must be completed and signed in ink, not pencil. Make sure the applicant’s Name, Social Security Number, and Medicare Number are correct. If you have ever been married, include the Spouse’s Name, Social Security Number, and if a veteran, the VA Claim Number.

Send the application to the appropriate District Office (see the back page of the application). A Medicaid caseworker will contact you for an interview after the application arrives in the District Office. It will be helpful if you include as many of the following items as possible when you submit the application:

2. Verification of the gross (before anything is taken out) amount of Social Security, Veterans Administration, Railroad Retirement, Civil Service checks, private pension checks, rental income and annuities. (Verification should include claim and/or identification numbers.)
3. Copies of bank statements (all accounts) going back five years. First of month account balances that exceed $2,000 will require copies of cancelled/imaged checks.
4. Verification of CDs, IRAs and Savings Bonds.
5. Verification of stocks, bonds and mutual funds.
6. Copies of deeds to property currently owned. (This includes heir property, life estate, etc.) Also, purchase and sale deeds to property which has been sold or transferred within the past five (5) years.
7. Copies of trusts, mortgages, loans, and promissory notes.
8. Copies of all insurance policies, including:
   a. Life, burial, funeral, vault, casket, cash, term and/or group.
   b. Long Term Care policies.
   c. Health, hospital, and/or cancer policies. (A copy of the card or premium notice and copy of payment method is needed.)
9. Copies of pre-need/prearranged burial contracts, including an itemized list of charges.
10. Verification of gross (before anything is taken out) wages.
11. Copy of power of attorney, guardianship papers, or curator papers.

Always keep a copy of the original application you submit to Medicaid. Send copies of all other documents, do not send your original documents except for proof of citizenship or identity, if required. Proof of citizenship and identity is not needed if you are currently receiving SSI benefits or are entitled to or enrolled in Medicare. If additional information is requested, make sure you supply the information as soon as possible. If you have questions about the information requested, call the Medicaid caseworker. If you need assistance in getting the information requested, see if the nursing home social service staff or business office worker is willing to assist.

Some things that can make a claimant ineligible:
• If someone else (a family member) deposits money (income) into the claimant’s bank account, this is considered a “contribution” and must be budgeted as income to the claimant, which may make the claimant ineligible.
• If the claimant’s countable resources exceed $2,000 on the first day of the month, the claimant will be ineligible. (An example would be if the claimant receives their June check in May, Medicaid will not count...
• Allocation to family members,
• Health Insurance Premiums (verified as being paid with claimant's money).

The Annual Review Process:
Once a claimant has been approved for Medicaid, a review of the claimant's financial circumstances will be conducted annually. This means that one year from the date of the award notice, an annual review form will be mailed to the sponsor.

It is very important that the sponsor complete the form as soon as possible and return it, along with any requested information. Make sure the review form is signed, all the questions are answered and the requested information is enclosed.

You have ten (10) days to complete and return the form. If the form is not returned, along with the requested information, the active Medicaid case will be terminated.

Between Annual Reviews:
It is the responsibility of the claimant or sponsor to report any financial changes to their Medicaid caseworker within ten (10) days of the change. Examples of changes are: if claimant receives an increase in benefits or money from another source, if claimant returns home, if the sponsor changes his or her address, if the claimant stops paying premiums for health insurance. (If you are not sure if you should report a change, contact your Medicaid caseworker.)
