

SCHOOL OF NURSING  
The University of Alabama at Birmingham

# UAB MINI-CONFERENCE

**THIS STUFF REALLY WORKS:  
SUCCESSFUL STRATEGIES FOR PREVENTING  
AND MANAGING DIFFICULT DEMENTIA BEHAVIORS**

**Thursday, April 29, 2021**

**9:00 AM – 12:00 PM, CT**

**via Zoom**

---

**\$75.00** - Healthcare providers, nurse educators

---

*Fee Waived - Caregivers (no CEU credit available)*

## OBJECTIVES

- Identify types of dementia
- Understand the neurobiology of dementia
- Apply strategies to prevent and manage care-resistant behaviors

---

People living with dementia often refuse or reject care which distresses formal and informal caregivers. Our approach often makes these behaviors worse. This mini-con will help you to prevent and manage care-resistant behavior in a manner that respects the dignity and personhood of the older adult.

**REGISTER NOW**

**PRESENTED BY**

**Rita Jablonski, PhD,  
CRNP, FGSA, FAAN**
