

# Virtual Walk

# UPDATE

## AUGUST 28th & 29th, 2021

Dear Friends and Community partners,

We have been planning for and looking forward to resuming our tradition of having our annual Walk to Remember inside University Mall on August 28th. Given the spread of the highly contagious coronavirus in Tuscaloosa County, we are concerned for our supporters. The decision has been made to change plans to avoid large crowds gathered together indoors. We have chosen to have a “VIRTUAL WALK”!!! We will still have our annual trendsetting t-shirts, walk teams/individuals competing for most money raised, and door prize drawings!!! Door prize drawings will be held on Facebook Live and posted on Instagram and [www.caringdays.org](http://www.caringdays.org). Please stay tuned for our NEW Step by Step process for our new “Virtual Walk”.

Thank you in advance for your support of Caring Days and your willingness to adapt and change to this new format for this year’s “Virtual Walk”!!!
